

## **MAKE OVER - THE PERSONALITY DEVELOPMENT CLASSES**

**“ART HAS THE POWER TO TRANSFORM, TO ILLUMINATE,  
TO EDUCATE, INSPIRE AND MOTIVATE.”**

To make the GLOBALTIES ready to face the outside world ,they are given personality development classes which enhances their confidence level and communication skills. This makes them stand apart in today’s competitive world. Are we not aware about the challenges of 21st century? Surely we are! That is why at QGIS we make sure we focus on the holistic development of our globalites. Not only speaking or writing but listening and reading too. Not only the way to speak but confident public speaking. By involving activities such as interview drill, group discussions, impromptu speech, Just a minute challenge, writing narratives and many more. We make sure our students know their inner self and identify their potential as well as capabilities. We aim to develop overall personality of our Globalites.
